T4 Elearning platform acces

1. Steps for T4 platform access

Participants in the project target group can access the course directly by following the link www.t4.ugal.ro/elearning/login/index.php or indirectly from the project website: t4.p-tech.si/.

For registration, participants must take the following steps:

- a. Press Create new account;
- b. Fill in the required data;
- c. After registration, you will receive an email confirming the registration. Follow the link and you can access the platform;
- d. Choose the T4 training course from the menu Courses;
- e. A request will be send to the email address you specified;

After enrollment, the trainee can access all.

2. Target group

SMEs - managers, technical and administrative staff members, consultants;

Cluster organizations - technical staff members, consultants;

R&D centers/universities (including their technology transfer departments) - researchers, technical staff members;

Technology parks and centers of business development - technical staff members, consultants;

Economic development bodies (regional development agencies, government policy makers) - policy officials, management, technical staff members;

Vocational education and higher education institutions - trainers, researchers, technical and administrative staff members, students.
